

Dear Parents

Thank you for all of your responses to the DEAL Multi Academy Trust proposal. Any questions raised during the consultation have been responded to and are now published on each school's website.

We are aware that as the steering group moves through the process of adding detail to the MAT proposal, before it is presented to each school's Governing Body, more questions may be raised from the parent community.

Therefore we are proposing a series of parent meetings in which key documentation and discussions are shared. Alongside this, future minutes from the Steering Group, once approved, will be published on each school's website.

The first meeting will take place on Thursday 21st June at 6.30pm at the Landmark Centre, Deal during which we will look at the DRAFT Scheme of Delegation. This is currently under review at Governing Body level.

If you are unable to make this meeting but have questions, please send these through to your Head teacher or a member of your Governing Body

Regards
