CHARGING POLICY

As a Church of England School this policy is read within the context of the Christian values and teachings of our school.

AIMS

The aims of the charging policy are to:

- ▶ Maintain the right to free school education
- ▶ Enable all pupils to take full advantage of the activities provided by the school.

OBJECTIVES

The objectives of the charging policy are:

- ▶ To ensure that activities offered in school time should be available to all pupils regardless of their parent's ability or willingness to help meet the cost.
- ▶ To identify those activities for which charges may be levied.
- ▶ To determine which charges will be remitted for parents experiencing hardship.
- ▶ To invite voluntary contributions for the benefit of the school in support of any activity organised by the school either during or outside school hours.
- ▶ To ensure that the responsibilities for the charging policy are clearly and appropriately allocated.
- ▶ To ensure that the operation of the policy charging and remissions policy is systematically reviewed and the findings acted upon

IT IS THE POLICY OF THE GOVERNING BODY:

- ▶ To levy a charge of ingredients or materials in practical subjects if the parents indicate at the beginning of each school year that they wish to keep the finished product.
- ▶ To levy a charge for the provision of music tuition to pupils, either individually or in groups of four or less except where it is provided to fulfil any requirements specified in the syllabus for a prescribed public examination; or specifically to fulfil statutory duties relating to the National Curriculum.
- ▶ To levy a charge for the board and lodging element of a residential activity. Governors will remit such charges to parents in receipt of various benefits relating to financial hardshipily credit, an income in respect of any period wholly or partly comprised in the time spent on the trip where the education provided on the trip is education in respect of which no charge may be made.

FOR ACTIVITIES OUTSIDE SCHOOL HOURS

- ▶ To levy a charge for all activities provided outside school with the following exceptions:
 - ❑ No charge will be made if the activity is an essential part of the basic curriculum.
 - ❑ The board and lodging element of a residential activity will be remitted to parents in receipt of financial hardship benefits.
 - ❑ Education outside school hours other than education which is an essential part of the curriculum is defined in the Education Act as an 'optional extra' and participation will be on the basis of parental choice and a willingness to meet such charges as are made, and the agreement of the parents is therefore an essential prerequisite for the provision of optional extras for which charges are made.

FOR ALL ACTIVITIES

- ▶ To request voluntary contributions from all parents for school activities in or out of school time which can only be provided if there is sufficient voluntary funding.

REMISSION

It is the policy of the Governing Body:

- ▶ To remit charges for board and lodging to parents in receipt of financial hardship benefits.
- ▶ To delegate to the chairman and the headteacher the determination of any individual case arising from the implementation of the policy.

Note: The governing body may remit in full or in part of the charge for music tuition in respect of parents experiencing hardship.

RESOURCES

The governing body will agree a fund with the budget to support this policy.

RESPONSIBILITIES

Authority for the day-to-day management of the fund will be devolved to the headteacher who will determine the proportion of costs of an activity which should be charged to public or non-public funds. Staff organising activities must do so within the provisions of this policy. Plans, at the draft stage, should be submitted to the senior management team for consideration and approval.

The headteacher has the responsibility for monitoring and evaluating the implementation of the policy.

MONITORING AND EVALUATION

The headteacher will monitor the implantation of the policy and provide the governing body with a financial report as part of the normal reconciliation of the school budget.

DURING SCHOOL HOURS

Parents may make a voluntary contribution to:

- ▶ Individual music tuition where it is provided to fulfil any requirements specified in the syllabus for a prescribed public examination; or specifically to fulfil statutory duties relating to the National Curriculum.
- ▶ The board and lodging element of all residential trips and visits except in the case of pupils whose parents are in receipt of income support or family credit.
- ▶ The cost of transport direct from home to an activity sanctioned, though not provided by the LEA or school, such as work experience.
- ▶ The cost of ingredients or materials if parents have indicated in advance that they wish to own the finished product.

OUTSIDE SCHOOL HOURS

Charges may be made for 'optional extras' defined as falling wholly or mainly outside of school hours provided that the activities are not:

- ▶ To fulfil any requirements specified in the syllabus for a prescribed public examination.
- ▶ Specifically to fulfil statutory duties relating to the National Curriculum.
- ▶ Specifically fulfil statutory duties relating to religious education.

Participate in the optional extra activity is on the basis of parental choice and a willingness to meet the charges.

Note: The terms above do not prohibit charging for board and lodging except where parents are in receipt of financial hardship benefits.

The charges may include an element for:

- ▶ A pupil's travel costs.
- ▶ A pupil's board and lodging costs, except where the parents are in receipt of income support or family credit, job seekers allowance or disability working allowance.
- ▶ Materials, books, instruments and other equipment.
- ▶ Non-teaching staff costs
- ▶ Entrance fees to museums, castles, theatres, etc.
- ▶ Insurance costs.
- ▶ The engagement of teaching staff specifically for providing the activity and supplying such staff with travel, board and lodging, providing that if they are employed by the LEA or governors, they are employed to provide individual music tuition and engaged on a separate contract for services to provide the optional extra.

The contract may take the form of a letter inviting the teacher to provide certain services for a specific activity taking place at a specified time, in return for payment of expenses and, where appropriate, a fee.

Charges for individual pupils may not:

- ▶ Exceed the actual cost of providing the optional extra activity divided by the number of pupils willing to participate.

- ▶ Include an element of subsidy for pupils whose parents wish them to participate but unwilling or unable to apply.
- ▶ Include the cost of alternative provision for more pupils who do not wish to participate, where a small part of the activity take place in school hours.

VOLUNTARY CONTRIBUTIONS

The school may seek voluntary contributions of the benefit of the school or any school activities from parents to include the costs for accompanying teachers for any school activity but:

- ▶ Such contributions are genuinely voluntary and there is no obligation on a parent to make any contribution
- ▶ Pupils will not be treated differently according to whether or not parents have made a contribution.
- ▶ Parents will be informed of the level of contribution and whether the activity could take place if parents were reluctant to support it.

There is no limit on the level of voluntary contributions sought.

The statutory minimum remissions policy must provide for complete remission of board and lodging charges to pupils whose parents receive income support or family credit if any activity takes place during school hours; or is out of school hours but covered by requirements relating to prescribed examinations syllabuses or duties relating to the National Curriculum or duties relating to religious education. The remissions policy must be kept under review by the governing body or LEA by whom it was determined.

DRAFT LETTER

To existing parents (to be modified for new pupils possibly as part of admission)

Dear

For many years parents have contributed towards the cost of ingredients and materials provided for craft and design and technology either by provision of materials themselves or by purchase of materials provided by the school.

This has enabled us to maintain variety and interest in these courses and our experience has been that almost without exception parents wish to retain the work which their child produces and are willing to make the modest contribution required.

Under the Reform Act 1996 we are required to deal with such payments in cash or materials by ascertaining in advance whether you wish to retain work produced as part of such courses.

In order to avoid constantly writing to parents on such matters I am writing to ask you to confirm that you wish your child to continue to retain the work he/she produces during his/her school career and to support the school in the education the school provides through these courses.

If at any stage you wish to alter that decision you have only to write to me and the change will then be operative from the date of receipt of notification.

Parents who feel they would be subject to financial hardship are encouraged to contact us. Any information received will of course be treated in strict confidence.

Yours sincerely

Headteacher

I wish/do not wish _____ to retain work produced in craft design and technology during his/her school career and will pay in cash for materials and/or provide materials used in producing the work retained (delete as appropriate).

I understand that I can change my decision during my child's school career by notifying the school in writing.

Signed: _____

Description of event or activity, indicating where appropriate its value in educational terms and its relevance.

DRAFT LETTER

For any programme being following by the school.

Indicate duration of activity if it is continuing.

Spell out any external funding which may be available, e.g. amount available for LEA or contribution to entrance only, transport only, etc.

It is not possible for this activity to be funded by the school and I am therefore writing to find out how many parents would be prepared to support the activity by making a voluntary contribution towards the costs. A voluntary contribution of (£x) will be required and unless the majority of parents feel able to make such a contribution it is unlikely that we will be able to proceed.

It is emphasised that there is no obligation to contribute and that no pupil will be omitted from the activity or treated differently according to whether or not their parents decide to contribute. It is possible, however, that if insufficient parents consider the activity worthy of their support we will be unable to make the provision.

We encourage all parents to support this activity to the extent that they are able.
