

Year group: 3/4

Home learning options for term 2

During this term, we will be exploring the theme of What a Wonderful World.

Over this term, you should complete at least six of these challenges.

In addition to this, we expect you to read at home every day and complete your spellings or phonic activities each week. You should also continue to learn the times tables that were given to you at the start of the year.

Remember that additional maths and literacy activities can be found via the links on our school website.

Maths www.mathletics.com www.timestables.co.uk https://play.ttrockstars.com/	Literacy Keep a nature diary at home Lockdown poetry (what do you miss about school what do you enjoy about being at home)	RE Create a prayer book Retell the Christmas story using modern characters Make a shoebox nativity scene
Science Great Garden birdwatch Spend 1 hour with a nice drink and treat recording the different birds that visit your garden or street	Art and Design technology Create a bird feeder for your garden Make a totem pole that represents you are and your family	School value Inquisitive – research a topic of your own interest Communicative – write a speech on climate change Collaborative – offer to cook or tidy up for one day a week at home.
Geography and History Research a Native American tribe Who were they? Where did they live? What did they eat?	Things to do by the time I am 11 Star gazing Create a wildlife home or pond	Pupil choice https://www.purplemash.com/ Remember you can use Purplemash for activities such as coding
