RE	<p>Question: What kinds of peace are there?            Learning: There are different types of peace: peace inside, peace between people, and peace with God.            Start by looking at some lovely peaceful pictures from nature, but also churches or monasteries. Why do people build big, beautiful churches? Talk about how it might feel to be in one of these places and how Christians might find God's peace.            Watch: <a href="#">The Story of the Unforgiving Servant</a> in which Jesus tells Peter he must forgive someone 490 times!            What does this say about how important forgiveness is? How would forgiveness bring peace?            Draw a situation where someone has done something wrong to a friend - how do they feel? Then when one has said sorry and the other has forgiven them, how does that feel? How does this bring peace?</p>
